

- Ode to my family -

(The Cranberries)

Re Si - Fa# - Sol La
Doo doo doo doo...

Re Si - Fa# -
Understand the things I say.
Sol La Re
Don't turn away from me.

Si - Fa# -
'Cause I spent half my life out there.
Sol La Re
You wouldn't disagree.

Si - Fa# -
D'you see me, d'you see? Do you like me?
Sol La Re
Do you like me standing there?
Si -
D'you notice, d'you know?
Fa# - Sol La Re
Do you see me, do you see me? Does anyone care?

Si - Fa# -
Unhappiness, was when I was young
Sol La Re
and we didn't give a damn.

Si -
'Cause we were raised
Fa# - Sol La Re
to see life as fun and take it if we can.

Si - Fa# -
My mother, my mother she hold me.
Sol La Re
Did she hold me when I was out there?
Si - Fa# -
My father, my father, he liked me,
Sol La Re
oh, he liked me. Does anyone care?

Si - Fa# -
Understand what I've become.
Sol La Re
It wasn't my design.

Si -
And people everywhere
Fa# - Sol La Re
think something better than I am.

Si - Fa# -
But I miss you, I miss,
Sol La Re
'cause I liked it, I liked it when I was out there.

Si - Fa# -
Do you know this, do you know?
Sol
You did not find me, you did not find.
La Re
Does anyone care?

Si - Fa# -
Unhappiness, was when I was young
Sol La Re
and we didn't give a damn.

Si -
'Cause we were raised
Fa# - Sol La Re
to see life as fun and take it if we can.

Si - Fa# -
My mother, my mother she hold me.
Sol La Re
Did she hold me when I was out there?
Si - Fa# -
My father, my father, he liked me,
Sol La Re
oh, he liked me. Does anyone care?

Si - Fa# - Sol La
Does anyone care...

Re Si - Fa# - Sol La
Doo doo doo doo...
