

# - Always -

(Bon Jovi)

Do#m

This romeo is bleeding,

Si

but you can't see his blood,

La

it's nothing but some feelings,

Fa#m

Si

that this old dog kicked up.

Do#m

It's been raining since you left me,

Si

now I'm drowning in the flood,

La

you see I've always been a fighter,

Fa#m

Si

but without you I give up...

Do#m

Now I can't sing a love song,

Si

like the way it's meant to be,

La

Si

well, I guess I'm not that good anymore,

La

Si

but baby...that's just me...

Mi

Si

**Yeah...I will love you...**

La Do#m Si

**Baby, Always...**

Mi

Si

La

**and I'll be there, forever and a day...**

Do#m Si

**Always...**

Mi

I'll be there till the stars don't shine,

Si

till the heavens burst, and the words don't rhyme,

La

and I know when I die, you'll be on my mind,

Si

La Si

and I'll love you Always...

Do#m

Now you're pictures that you left behind,

Si

are just memories of a different life,

La

some that made us laugh, some that made us cry,

Fa#m

Si

one that made you, have to say goodbye.

Do#m

What I'd give to run my fingers through your hair,

Si

to touch your lips, to hold you near,

La

when you say your prayers try to understand,

Fa#m

Si

I've made mistakes, I'm just a man.

Do#m

When he holds you close, when he pulls you near,

Si

when he says the words you've been needing to hear,

La

I'll wish I was him 'cause those words are mine,

Si

La

Si

to say to you till the end of time...

Mi

Si

**Yeah...I will love you...**

La Do#m Si

**Baby, Always...**

Mi

Si

La

**and I'll be there, forever and a day...**

Do#m Si

**Always...**

Re

Sol

If you told me to cry, for you,

La Re

I could,

Sol

if you told me to die, for you,

Sim

I would, take a look at my face,

Sol

La

Si

there's no price I won't pay to say these words to you...

Do#m

Well, there ain't no luck in these loaded dice,

Si

but baby, if you give me just one more try,

La

we can pack up our old dreams, and our old lives,

Si

La

Si

we'll find a place where the sun still shines...

Mi

Si

**Yeah...I will love you...**

La Do#m Si

**Baby, Always...**

Mi

Si

La

**and I'll be there, forever and a day...**

Do#m Si

**Always...**

Do#m

I'll be there till the stars don't shine,

Si

till the heavens burst and the words don't rhyme,

La

and I know when I die, you'll be on my mind,

Si

La

Si

Mi

and I'll love you Always...
