

# - My Immortal -

(Evanescence)

**La** **Do#m**  
I'm so tired of being here,  
**La** **Do#m**  
suppressed by all of my childish fears.  
**La**  
And if you have to leave...

**Do#m**  
I wish that you would just leave,  
**La**  
because your presence still lingers here,  
**Do#m** **Fa#m**  
and it won't leave me alone...

**Do#m** **Fa#m**  
These wounds won't seem to heal...  
**Do#m** **Fa#m**  
This pain is just too real...  
**Do#m** **Mi**  
There's just too much that time cannot erase...

**Fa#m** **Re** **Mi** **Do#m**  
**When you cried I'd wipe away all of your tears.**  
**Fa#m** **Re** **Mi** **Do#m**  
**When you'd scream I'd fight away all of your fears.**  
**Fa#m** **Re** **Mi** **Do#m**  
**And I've held your hand through all of these years.**  
**Fa#m** **Re** **Mi**  
**But you still have all of me...**

**La**  
You used to captivate me...  
**Do#m**  
By your resonating light...  
**La** **Do#m**  
But now I'm bound by the life you left behind.  
**La** **Do#m**  
Your face it haunts my once pleasant dreams  
**La** **Do#m**  
Your voice it chased away all the sanity in me...

**Do#m** **Fa#m**  
These wounds won't seem to heal...  
**Do#m** **Fa#m**  
This pain is just too real...  
**Do#m** **Mi**  
There's just too much that time cannot erase...  
**Fa#m** **Re** **Mi** **Do#m**  
**When you cried I'd wipe away all of your tears.**

**Fa#m** **Re** **Mi** **Do#m**  
**When you'd scream I'd fight away all of your fears.**  
**Fa#m** **Re** **Mi** **Do#m**  
**And I've held your hand through all of these years.**  
**Fa#m** **Re** **Mi**  
**But you still have all of me...**

**Re** **Mi** **Re**  
I've tried so hard to tell myself that you're gone...  
**Mi**  
And though you're still with me...  
**Re** **Mi**  
I've been alone all along!!!
