

- Taking over me -

(Evanescence)

Lam
You don't remember me,
Fa Do Sol
but I remember you,
Lam Fa
I lie awake and try so hard,
Do Sol
not to think of you.
Lam Do Fa
But who, can, decide, what they dream?
Do Mim
And dream I do...

Lam Sol Fa Lam
I believe in you,
Mi5 Fa Lam
I'll give up everything just to find you,
Sol(5) Fa Lam
I have to be with you, to live, to breathe,
Mi5 Fa Lam
you're taking over me!

Fa
Have you forgotten all I know,
Do Sol
and all we had?
Lam Fa
You saw me mourning my love for you,
Do Sol Fa
and touched my hand!
Fa Rem Lam
I knew you loved me then!

Sol Fa Lam
I believe in you,
Mi5 Fa Lam
I'll give up everything just to find you,
Sol(5) Fa Lam
I have to be with you, to live, to breathe,
Mi5 Fa Lam
you're taking over me!

Fa Lam
I look in the mirror and see your face,
Fa
if I look deep enough!
Mi7
So many things inside that are,
Lam
just like you are taking over...

Sol Fa Lam
I believe in you,
Mi5 Fa Lam
I'll give up everything just to find you,
Sol(5) Fa Lam
I have to be with you, to live, to breathe,
Mi5 Fa Lam
you're taking over me!

Sol Fa Lam
I believe in you,
Mi5 Fa Lam
I'll give up everything just to find you,
Sol(5) Fa Lam
I have to be with you, to live, to breathe,
Mi5 Fa Lam
you're taking over me...

Sol Fa Lam
...you're taking over me...

Sol Fa Lam
...you're taking over me...

Sol Fa Lam
...you're taking over me...

Sol Fa Lam
...taking over me!
