- The reason -

(Hoobastank)

Mi Do#m
...I'm not a perfect person,
Mi
as many things I wish I didn't do.
Do#m
But I continue learning,
La
I never meant to do those things to you,
Si
and so I have to say before I go...

Mi
That I just want you to know,
Do#m
I've found a reason for me,
La
to change who I used to be,
Si
a reason to start over new.
Mi
And the reason is you...

Do#m
...I'm sorry that I hurt you,
Mi
It's something I must live with everyday.
Do#m
And all the pain I put you through,
La
I wish that I could take it all away,
Si
and be the one who catches all your tears...

Mi
That's why I need you to hear,
Do#m
I've found a reason for me,
La
to change who I used to be,
Si
a reason to start over new.
Re
And the reason is you...

I've found a reason to show,

a side of me you didn't know,
Si
a reason for all that I do...
Mi
And the reason is you...
