

- Liquefy -

(The Servant)

Si Fa#
One autumn, you one said to me,
Sol#m Mi
"There's too much stuff around"
Si Fa#
The bus groaned along, you put your hand upon,
Sol#m Mi
the window on the town.

Si
And I thought you look just fine to me,
Fa#
you look just fine to me,
Sol#m Mi
you look just fine to me...

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and mingle in the stream?

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and vanish into the sea?

Si Fa#
Still sleeping, you woke me up,
Sol#m Mi
muttering in your dream.

Si Fa#
In darkness, I could feel your,
Sol#m Mi
you little body breathe...

Si
And I thought you look just fine to me,
Fa#
you look just fine to me,
Sol#m Mi
you look just fine to me...

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and mingle in the stream?

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and appear in the ocean's dream?

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and vanish into the sea?

Solm
Will I always love you?
Fa Mi
I just don't know,
Re# Rem Fa
I'll give it to go...
Solm
Will you always love me?
Fa Mi
How could you know?
Re# Rem Fa La Re# Sol
Just give it a go...

Si Fa#
I was at a party, that's when it came to me.

Sol#m Mi
Oh... what a moment...
Si Fa#
I was reading, a magazine,
Sol#m Mi
in someone's bedroom...

Si
And I thought you look just fine to me,
Fa#
you look just fine to me,
Sol#m Mi
you look just fine to me...

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and mingle in the stream?

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and appear in the ocean's dream?

Si Fa#
Shall we liquefy, oh you and I,
Sol#m Mi
and vanish into the sea?
